For the third time in just one day more than two months, voters in seven local precincts trudged wearily to the polls as pale sun rays filtered through clouds; mostly clouds of mosquitoes. Mentioning these pests probably isn't very good propaganda, but how can one think of anything else when they all but carry you away anytime you open an outside door? No doubt a nice strong North wind will arise (we hope) long before press time, BUT as we begin the column, they're murder!

Read somewhere the other day that the actual cost of permanently eradicating the monsters and that's just what they've become (driving on a diet of DDT, chloradane and assorted insect repellents, could break down to about 65 cents per person in the state. Just wish we'd studied the article a bit more thoroughly and we'd have our contribution in the mail PDG!

So much for the mosquitoes, with a pic all but burning off a tea, OH dripping into greasy droplets on the typewriter keys and the scent of spray all but shutting off our oxygen, we'll try to think and write about something else.

The recuperation list

A very happy birthday greeting goes to Olive (Mrs. Henry T.) Vogelberg who celebrated her, cops, we know but she'd tell us if we told, birthday Oct. 3. Mrs. Vogelberg was seriously ill during the summer, but in up and around again and able to assist us in picking up a bit of extra work and then, her sister, Mrs. Wm. T. Holmes of Hialeah, Fla., is her guest at present.

Very happy to learn that Betty (Mrs. Edward P.) Phillips has at last been released from a New Orleans hospital and is now recuperating from a broken hip (not wrist as we mistakenly stated) at her beach home.

While we're correcting mistakes we'll straighten out another mix-up. Starrill (Mrs. Lloyd Jr.) Garcia is expecting her third child, a sister-in-law, Pat Garcia, nee Villars, most definitely is NOT on the coast's list of present. . . watch it Pat—we don't claim to possess supernatural powers, but we made the same little teeny pos regarding Cleire (Mrs. Otto) Bourgeois and guess what—she hated to see our veracity doubted, so obligingly came up with number three. We must comment, in this era of shifts and over-blossoms, it's quite a natural error.

Procy Pat (Mrs. Sam) Favre is another who's busy shopping for tiny garments.

Travelers come home

Mr. and Mrs. William Ford returned to their Hillcrest home last week after a fabulous seven week Eastern vacation trip. In New York City they visited their son, Bill, and daughter-in-law, Ellen, beauty expert and operator of Ford Modeling Agency. The younger Fords have recently moved into one of those 20 or 30 room mansions on the Hudson and it sounds like a dream.

Ann and Dix Ashman have taken possession of that lovely remodeled old brick home just off the Beach on Vacation Lane.

The A. R. Jenkins had as weekend guests their daughter, Bobbie, son-in-law, Sonny and children of New Orleans and Mr. and Mrs. David Barnhill of Jennings, La.

We're late with this, but it occurred when we were vacationing—Sgt. and Mrs. Henry Capepon who were stationed in Gorbier, Kan., divided a two-week leave between the Bay and Piquette, in the Bay they visited his parents, Mrs. Capepon remained at her parents Piquette home while he's on an overseas tour of duty.

Mrs. Jack Shepherd is another wise one—she too has already begun selecting Christmas gifts.

Mrs. Walter Dupiquier was also taking time out for a bit of shopping. . . when she isn't involved in club, hospital and church work, she amuses (?) herself baby sitting with niece Ann (Mrs. Ray) Stieff's eight youngsters.

Speaking of baby sitting, Mrs. Gould was getting in a little practice last week preparing to assist son-in-law Lucien Gen, Jr. with the three little Genes while daughter Nancy is producing number four in a New Orleans hospital. An event likely to take place in the next week or so.

Successful angling

The specs were really biting last week—very convenient for vacationing Travis Culbreth who brought home a batch last Thursday, Friday and Saturday.

Flora (Mrs. Alden) Masfiry reports that son Larry and his attractive wife Julie, and the children, of course, love their new Muncie, Ind., home. Larry has an interesting new job which necessitated the move.

Col. and Mrs. Marcel Griffin are now in New Orleans at the Poncechartrain Hotel where the colonel is recuperating from the removal of cataracts from both eyes. The surgery was most

Separate but equal

Under the separate but equal doctrine race relations in the South were generally good. At the same time Negroes as a group made real strides in education, and, dependent on that, he made noticeable if not as great steps up the economic ladder. In addition he developed a culture of his own compatible with, but distinctive from, the western European oriented culture of the white majority.

On the other hand in providing separate facilities the dominant whites did not always provide equal ones and when they did frequently were late. Nevertheless, white and colored alike were going forward.

All this does not mean that the Negro always got a fair shake of the dice, though in some cases they were loaded for him. Particularly in the field of voting, with some justification, was his constitutional right violated on occasion.

When the Supreme Court in 1954 discarded the separate of equal concept it opened Pandora's box. While a small portion of our colored citizens may have been held back to some degree by the practical application of the doctrine, the vast majority were well served by it.

But while there is some merit to the complaint of second class citizenship raucously shouted by the fanatic do-gooder and by those, Negro and white, who want to use the Negro, it is even more generally true that the Negro as a group is still a second class citizen when measured by his contributions to his community. Considering what he has had to overcome in the past hundred years, we are lucky he is not consistently a fourth or fifth class citizen. That he is running a good second to day with many of his race in the first class category is a tribute to him, to his white neighbors and to the efficacy of the separate but equal doctrine.

All of this brings us to a local problem. Several months ago a group of Pearlinton Negroes asked that the county provide a school in that area for the younger children, who at present must come all the way to Valena C. Jones School. It seems clear to us that the vast majority of Negroes for some years to come will progress more rapidly, more happily and with less emotional strain in a segregated system. At the same time we must recognize that a militant, rabble-rousing Negro can force us to have integrated public schools or no public schools.

On the other hand as long as the white majority plays fair with him we believe the big majority of our colored population, essentially all of those who want the best for their race, will prefer their own segregated schools.

But the whites must play fair and we think the request for Negro primary school facilities in the Pearlinton area is reasonable. If the county is going to replace Logtown School with one in Pearlinton, it should also provide a Negro school there.

Editor, Sea Coast Echo:

I would like to call your attention to an article which appeared in the Sept. 26 edition of the Echo entitled Lions Club Formed Here, stating that with this club there would be two civic clubs in the Bay-Waveland area. The Rotary and Lions clubs. I strongly feel this is an injustice to the Jaycees which have an outstanding record of service to the community. Service to the community since the Bay St. Louis chapter was formed are too numerous to mention. However, I would like to remind the readers of Jaycee projects of the past three months.

The Jaycees co-sponsored the KO Polio program for community health; the Miss Bay St. Louis pageant to give a young girl a chance at scholarships and a chance to be Miss America; a banquet at the newest restaurant as a means of helping welcome this new business; conducted election coverage for all of Hancock County for the first and second primary to inform the voters; held a political rally to help voters gain knowledge of the candidates. The Jaycees followed up on the Echo editorial on the pageant by contacting the proper authorities asking that there be no pageant for three miles. This was done as a service to local organizations and commercial interests. A back to school drive was sponsored for the high school and college students.

Future projects will see the local chapter of the Jaycees have a young farmer contest in Hancock County. The contest will be held in the fall. The winner will be given a prize. The contest will be held in the fall. The winner will be given a prize. The contest will be held in the fall. The winner will be given a prize.

communes all over Mississippi. This is a statewide function which is being brought to Bay St. Louis through the hard work of the local Jaycees chapter.

The erroneous statement in this article may just have been overlooked by you as you have always been a tremendous help to the Jaycees through your news coverage of Jaycee projects.

As it is your duty to speak out on various issues I feel it my duty to speak up for an organization I feel very strongly for.

LEE C. CHOPPIN
Bay St. Louis,

(EDITOR'S NOTE: Normally the term "civic luncheon club" has been used to designate Rotary, Lions, Kiwanis, etc. Since the new Lions club will meet in the evening, the Echo used the term civic club to designate the two. Perhaps the Jaycees should have been included under this term, though they are not usually grouped with Rotary and Lions. The Miss Bay St. Louis pageant is primarily a fund raiser for the Jaycees, not civic.)

Ladner immediately took the chair and called a meeting of the executive committee, consisting of all officers, for 6 p.m. next Wednesday at the request of Administrator Thomas O. Logue to discuss hospital accounts and other business.

In other business Logue was authorized to move the medical records into the conference room where they would be inaccessible except to authorized persons. Also to advertise for bids for a new station wagon for hospital use.

Logue also called to the board's attention two printing machines and a bookkeeping machine that had been delivered to the hospital for demonstration but action was deferred.

moved to repay \$3,000 of the \$5,000 borrowed last year from Beat 5 but held up the \$2,000 he borrowed from Beat 1. Dean said he would need that money by Feb. 1 to proceed with his blacktopping plans and cautioned Necaise he would have to close down his road operations.

Charles Lavinghouse of Beat 3 also moved to repay the \$5,000 loan he had gotten from Beat 5 but delayed the amount he owed Beat 1.

Hubbard recalled that he had predicted shortly after the present Courthouse administration took over it would run \$50,000 to \$60,000 in the hole on the general fund and that between the \$25,000 loan on anticipated revenue and the \$29,000 from a bond fund acquired through special legislation a couple of years ago such had come to pass.

Except for those three funds, all others wound up in the black. Necaise complained about a \$187 bill for H. E. Weir, county engineer, for work on the Dummy Line Road since that is a state aid project. Several other supervisors noted they also had received additional bills from Weir and it was noted provision was made in his contract for additional compensation for extra work.

The board unanimously rejected payment of \$219 in wages for Bob McQuinn, mechanic, from the county-wide road fund noting he had not worked county wide since before the election.

We appreciate your thoughtful-ness.

Sincerely yours,

Cook Infant

Accidental suffocation was ruled by an August jury last Friday in the death of five-week-old Charles Seymour Cook, Jr., son of Mr. and Mrs. Cook.

Coroner Emilie Piazza said the infant's head became wedged between the mattress and the bars of the crib in which he was sleeping at the Luke Marichich home on Washington Road. Mrs. Marichich told the coroner she checked the baby several times during the night and when she awoke Friday morning he was blue. He was rushed to Hancock General Hospital and pronounced dead on arrival.

Surviving are the parents, his maternal grandparents, Mr. and Mrs. Edwin Carver of Bay St. Louis, and his paternal grandparents, Mr. and Mrs. Fred Haynes of Victoria, Tex. His mother is the former Bonnie Carver.

The funeral was Saturday afternoon at Our Lady of the Gulf Catholic Church with burial in St. Mary's Cemetery. Riemann's Pichey-Whitfield Funeral Home was in charge.

Sheriff Gerald V. Price served as bailiff of the jury empaneled by the coroner. Jurors were W. J. LaFontaine, J. T. Jacobs, David Godwin, H. C. Simon, Gerald Price, Jr., and Ray Depree.

ment, once again—going steady is alright... we guess, but we're still of the opinion that you're missing lots of fun when you limit your dating to only one boy or girl.

Think what you might be missing—the great big world is full of people just as varied as street cars, or rather buses these days—if you miss one, there'll be another along in a few minutes.

Just think about it! Congratulations to Bill De-laune who celebrates his 16th birthday today Oct. 8. Bill is a junior at St. Stanislaus.

Paul Weaver, also a junior, observed his Monday, Oct. 7.

Canine notes
Local dogs are victims of the heat. They'll all seem to be sitting for their own sakes... Louis Lader's new Labrador retriever boasts a large head, play yard and his own house complete with door. Prissy (a black and white) is still one up on Rebel (the Labrador)...

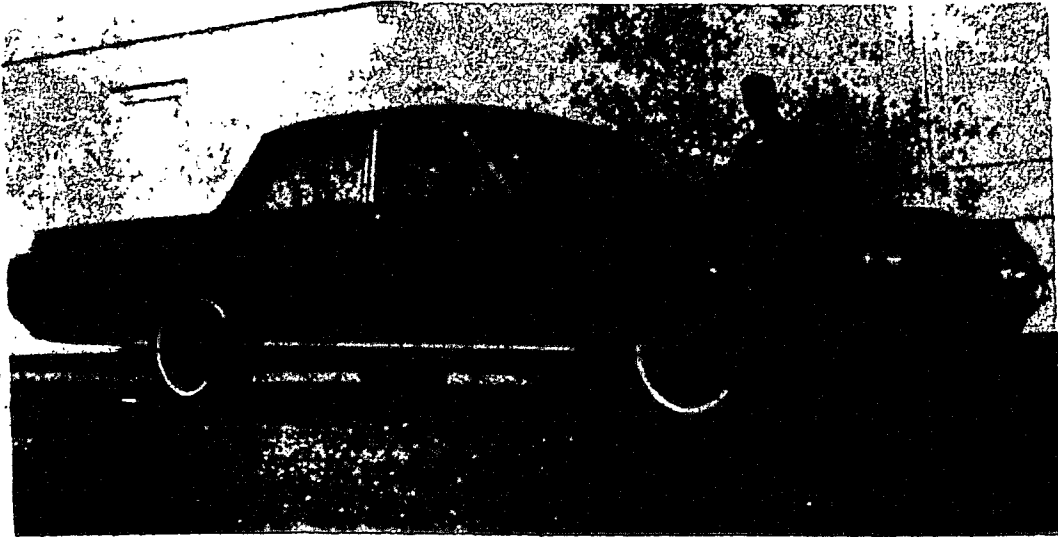

...her wall-to-wall carpet is... to be installed when the weather gets a bit cooler. Winnie and Jack... the almost never miss... the weekend at their West Street home, have a Friday... through Sunday dog family—each Friday promptly the same hour the pups are patiently waiting for them in the driveway—what bugs the Holmes is the question—do the dogs know it's Friday, or do they come each day and leave when they find the house vacant? Still on the canine topic, Davis and Chick... have three lovely puppies (small mixed breed females) which they're offering to anyone promising to give the little mamas a good home.

...Plans, don't ask Ann Deville... she acquired her double sheltie—the old time worn "I jumped into a door" happens to be too publicly true in her case. The "sipping coffee in Henry's" when someone called her attention to the fact that small son Gary had slipped outside—the dashed in pursuit and snatched up the glass door—Gary's lie, but Ann has a very sore nose and two purple framed eyes.

...We're already mentioned the christening of little John Michael Gotschalk but have since discovered the names of his sponsors—Dorothy Heitzmann was godmother, William Verritt of New Iberia, La., the godfather.

...Get well wishes also go to John Meyer—Ruth Ballala's mother who is recuperating from a sprained ankle at Ruth and Max's Nicholson Avenue home and to Miss Edna Gonsouvo—she is well on the way to complete recovery after having surgery a couple of weeks ago.

Newcomers
A very warm welcome to two new families in our area, Mrs. and Mrs. August Aguirre and four children, formerly of Beaumont, Tex., are now making their home

Norman Glass wins award from Air Force

Chief Warrant Officer Norman J. Glass of 201 Necadale Ave., has been decorated with the U. S. Air Force Commendation Medal at Orlando Air Force Base, Fla., for meritorious service.

Glass was awarded the medal for his outstanding performance of duty. He is serving as officer-in-charge of Civil Engineering plans and requirements.

Recently was promoted to the highest chief warrant officer grade (four), he entered the service in December 1942. During World War II, he served overseas in England, Belgium, Germany, Normandy, France, Luxembourg and Holland. He came to Orlando from Johnston Island.

Son of Mrs. Izella Glass of Kila, he graduated from Kila High School. His wife, Frances, is the daughter of Mrs. Carmelita Saucier of Bay St. Louis, on Coleman Avenue and Mr. and Mrs. Arthur Hyland and son who hail from Alabama are residing on Bayview Court.

Among those journeying to Thibodaux to cheer St. Stanislaus to its initial victory of the season were Pansy Bradford, Gaynell Lagasse, Ann Shippey, One Marshall, Mat and Melus Rhodes and Katherine and Curtis Matherne.

Local lady bowlers had best get on the ball—Bobbie Armstrong who has apparently logged lots of pin busting hours before moving to the Pass shattered league records scoring a 243 for Orkin's in the Miss Fitts league last Thursday night. This feat was topped off with a follow-up 175. How about 'them apples'?

2 Pearlingtons
In this day and age when many of us will walk quite a distance to avoid shelling out one-twenty of a buck for a stamp, we feel that this information might be of some interest to our Scotch minded readers. A neighboring weekly, Slidell Times, to give

credit where it's due, points out the fact that there is not only a Pearlington, Miss., but also a Pearlington, La., just across the state line. Economically this is of interest because although the telephone company recognizes Pearlington, La. as a principal, it does not appear on a map and calls from this town are routed through Gulfport. Consequently it's cheaper to call, say Ponchartraine, La., from Pearlington, Miss., than from the town of the same name in Louisiana.

SIGHTS AND SOUNDS ALONG THE WAY - The painting-like quality of our October sunsets—salmon pink clouds drifting lazily across the midnight blue of the darkening sky followed by the similarly unreal beauty of the enormous harvest moon rising above the shimmering surf and sounds of myriad fowl as they flock further seaward, their cries echoing shrilly in the wee hours and just before dawn.

Keep Heaslip trophy Pass sailors post fall regatta win

Pass Christian Yacht Club sailed to victory last weekend defeating their host, Bay-Waveland, in the annual fall regatta and retained possession of the Heaslip Trophy.

Four 12-foot races comprised the series in which the visiting Pass sailors scored 161 1/2 points over 135 1/2 for Bay-Waveland.

Twelve skippers from each class represented their respective clubs as juniors, A's, non-Lipton experts and Lipton experts competing for the three-hand Heaslip cup.

Opening the regatta Saturday, Mike Reeves (BW) won the junior race with David Byrne (PC) second and Billy Egan (BW) third. In the A race Johnny Walker (PC) was first, followed by Buddy Beyer (PC) and Myra Cook (PC) in a clean sweep for the Pass.

Hulls heeled and crews hiked out in a heavy weather race Sunday morning as Walt Chamberlain (BW) led non-Lipton experts across the finish line, followed closely by Ray Stieffel (BW) and Bob Boh (BW) as Bay-Waveland crowded the top of the fleet.

Sidney Ellis (PC) sailed to a first, ahead of Harry Chapman (BW) and Jerry Balanco (PC) as Lipton experts concluded the final race of the series.

Following the last race Sunday, individual trophies were awarded to the three top skippers of each race and their crews. Dick Reeves, fish class and race chairman, made the presentations. Commodore Perry Brown of PCYC also awarded colorful mementos to key members of both

clubs who had shown outstanding participation in the regatta. Dick Hadden, Harry Chapman, Dick Reeves, Don Chamberlain, Leslie Pepperdine and Ray Stieffel of BWYC and Gordon Bishop, Rip Terrell and Jimmy Terrell of PCYC.

Climaxing the ceremony Dick Hadden, acting commodore, presented Commodore Brown with Heaslip trophies.

Members of both clubs turned out Saturday night for a Lipton Tea(m) party to honor their respective teams. Bay-Waveland was first and Pass Christian second in the annual Lipton Regatta of Southern Yacht Club this year.

Members of the Bay-Waveland Lipton team were Chuck Breath, Harry Chapman, Bill Reeves, Don Chamberlain, Walt Chamberlain and Bill Wynn. The Pass Lipton team members were Sidney Ellis, T. A. Smuffy, Schmidt, Margaret Ellis, Phyllis Guest, Allan Walker and Nelson (Nip) Lang. Each team member was given medals in recognition of their achievement.

Members of the BWYC race committee also received engraved silver tokens for work rendered during the sailing season.

Bay-Waveland will host the Lipton Regatta next year when the 14 clubs of the Gulf Yachting Assn. again vie for the famous trophy. It is anticipated that an attendance of approximately 1000 sailors, crews and fans will invade Bay St. Louis for this Labor Day weekend event.

O'Neal sparks Rocks

Although trailing in first downs and passing yardage St. Stanislaus, sparked by tricky James O'Neal, fullback, bowled over the Thibodaux College Cardinals 13-7 Friday night at Thibodaux, La.

The Cardinals displayed an amazing pass offense, getting 112 yards in the air while the Rocks racked up six but couldn't penetrate a sturdy Rock defense when the chips were down.

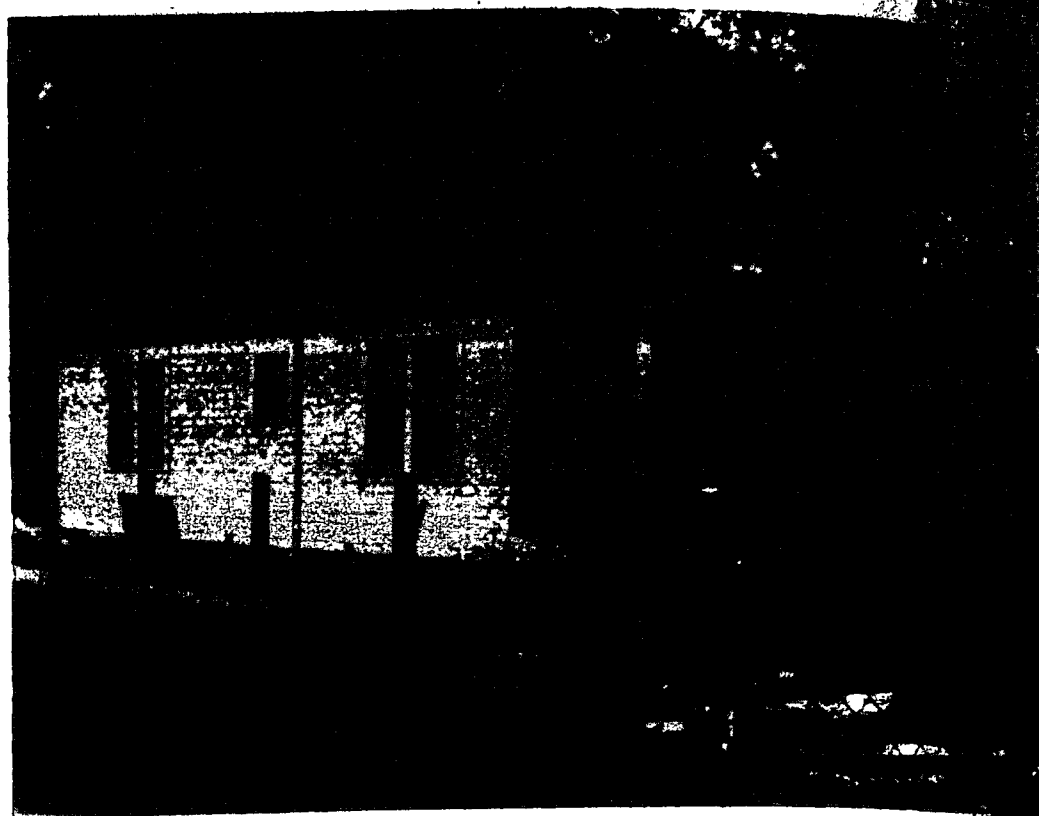

O'Neal starred for the Rocks with 79 yards rushing and one of the two touchdowns. Sharing honors were Doc and Dusty Rhodes, Lenny Ascelin and Howard Reddick.

The Rocks now have one win against two losses and took one of the toughest teams on the Coast this Friday, Ocean Springs there, highly touted to win the Gulf Coast Conference championship.

Thibodaux hit pay dirt first in the opening quarter on Terry St. Ciri's sensational 65 yard punt return. Quarterback Carroll Bodeaux added the extra point on a roll out and it looked bad for the Rocks until the second period when they found a weakness in the Cardinal defense and marched 65 yards for the TD. O'Neal scored from his own five but Merritt's kick for the extra point was wide.

In the third quarter Henson Doc Rhodes intercepted a pass and the Rocks were on the march again. After a 20 yard march Dusty Rhodes plunged over from the two and halfback Peter Merritt added the extra point on a kick from placement.

For the rest of the game the Rocks' defense was impenetrable and neither team scored.

Coming from behind, Bay High's football team overcame the odds to defeat the Central Rebels 30-20 in a happy homecoming game Friday night in the new stadium. It was the Tigers' first win in the new stadium, and the first loss of the season. The crowd saw the effort as a spectacular half-hour and homecoming act-

ing a wide open game, moving by lead and in both, leading in every quarter while the Rebels were held scoreless. The third, Biggest losing for the Tigers was the second when they got over three minutes. Highlight of the evening also occurred in the second when the quarterback Leroy Lake was back to pass and almost as he did. The ball was snapped from the Tiger 66 and Lake dropped back looking for a receiver but there was none to be had. As the big line came charging through he decided it was time to get out of there so took off down field evading one tackler after another and picking up some blocking until he was safely in the end zone. Fans in both stands were on their feet and the din was terrific. It was a 74-yard run.

The Rebels drew first blood early in the first quarter when, after moving with apparent ease, Russell Lanning crossed the goal marker. Jerry Wilson kicked for the extra point and it was 7-0, Rebels. Bay High scored their first touchdown during the last seconds of the first quarter when Johnny Panton, who played an amazing game, scored in a one yard sneak and Larry Johnson kicked the score with a placement point.

In the second quarter Panton scored again on a seven yard pass to Billy Thomas, bringing the score to 13-7. Then Lake came up with his sensational TD dash, Norman Shumbe made the second Rebel touchdown minutes before the half and Jerry Wilson kicked the point but the Tigs led (Cont. on Page 12.)

BAY HIGH FIRST SCORE OVER HARRISON CENTRAL

Hawks hot in air but Cats win 19-6

North Central's Hawks displayed a sharp aerial attack but couldn't hold Long Beach on the ground as they went down before the hard running Bearcats 19-6 Friday night in the new Long Beach stadium.

The Hawks got 90 yards in the air while Long Beach hit for 98 but could only rack up 52 yards rushing while the Rebels scored 140.

Quarterback Edlie Peterson scored the lone Hawk tally late in the fourth quarter on a one yard plunge after getting into scoring position through a series of passes to right end Wendell Lader and halfback Paul Cuevas. The kick was no good.

The Hawks held Long Beach scoreless in the first quarter as the teams probed each other for weaknesses. Both concentrated on gaining ground through

punting but appeared on even terms.

It was a different story in the second period when the Bearcats turned on the attack. Richard Daniels went over for the first TD followed by Buddy Jones. Both conversions failed and it was 12-0, Bearcats.

Both teams returned to defensive tactics in the third frame and neither was able to tally. It was nip and tuck in the final quarter with Jimmy Scully scoring for the Cats and Peterson diving over for the Hawks. Long Beach kicked for the extra point but the Hawks' attempt failed.

North Central picked up nine first downs to 11 for Long Beach. Leading Hawk rusher was Kenny Randall, for Long Beach. Jones. This Friday the Hawks entertain Harrison Central.
